VANTAGGIO GASLAMP

CONTACT INFORMATION

927 Sixth Avenue
San Diego, CA 92101

DESCRIPTION AND AMENITIES:

Vantaggio Gaslamp is located in the heart of downtown San Diego, in the Gaslamp district, famous for its restaurants, shopping and night-life. It is only one block from CISL, giving students the convenience of living very close to the school (only 2 minutes – or less – on foot)!

The residence is in a historic 3-story, walk-up building. There is no elevator access, so students must be able to carry their luggage up the stairs.

Each room has its own television, mini-fridge and microwave, with dishes provided. Linens and towels are provided, and all rooms have a private bath. Free wireless internet is included, but not always reliable. The rooms do not include telephones, but there is a pay-phone in the hallway.

All the rooms are non-smoking. Smoking is permitted in the outdoor patio area only. There is a community kitchen on the second floor where students can cook meals if they choose. There is a (coin-operated) laundry room, with iron and ironing board.

The office at Vantaggio Gaslamp is open 7 days per week:

Monday - Sunday: 12:00 PM - 4:00 PM

24-hour assistance is available by calling the reception desk at Vantaggio State Street (1-619-595-0111).
**If you are arriving outside of the office hours, you must check in at 1736 State Street (about a 5-10 minute cab ride from the Gaslamp residence).

Check-in time is after 3:00 PM. Students are responsible for providing the refundable $500 security deposit and the $30-$60 non-refundable cleaning fee at check-in.

Cleaning is once every two weeks only, so students should plan to keep their rooms tidy themselves and wash their own towels and bed sheets in the coin-operated laundry room. It is strongly recommended that the student pays the security deposit by credit card, so that the charge can easily be returned to the card after check-out. (If the deposit is paid with cash, a refund check will be issued by the residence within 30 days of check-out).
