

PROGRAM

GMAT[®] for International Students

Emphasis

Our Graduate Management Admission Test (GMAT[®]) preparation program for International Students has been developed to help international students meet the requirements of the GMAT[®]. The test is required for all MBA programs in the USA and may be required for selected MBA's in Canada.

This program is right for you if:

- You want to apply for an MBA course in the USA or Canada
- You want to give yourself the best chance of success on the GMAT[®] by following a curriculum developed by test preparation experts
- You want to benefit from our 'Official Test Day Experience', which allows you to take each one of Kaplan's computer adaptive tests at a Pearson testing center
- You want to prepare for your test with exclusive course materials which have been developed with your needs in mind

PROGRAM GMAT® FOR INTERNATIONAL STUDENTS

Your classes

GMAT® preparation

Your GMAT® preparation classes will focus in detail on each aspect of the test using Kaplan’s exclusive course materials to help you achieve the best results possible.

Structured Study

Your Structured Study sessions are an integral part of your course during which you will have access to our extensive library of study materials. Completing regular practice tests in our computer labs will also help you build your skills and confidence as you continually work towards a higher score.

Teaching component

After the GMAT® preparation classes have ended, your teacher will continue to meet with the class once a week for one hour to review key concepts and strategies, and to answer student questions. These sessions will provide you with ongoing support during Structured Study, and will help you to improve the skills you need for the test.
