Why choose ELC?

1

Award-winning English language school

ELC Sydney won the prestigious international award "LTM Star Language School Southern Hemisphere" in 2011, 2009 and 2007 and was shortlisted for this award in 2010 and 2008. ELC Kuala Lumpur implements the same methodology and courses and applies the same rigorous standards.

2

Fantastic nationality mix

ELC students come from many countries so they all have to speak English to communicate and will make lifelong friends from around the world.

3

Excellent teachers

Our students consistently rate ELC teachers as excellent. All teachers are highly qualified and experienced holding university degrees and specialist TESOL qualifications.

4

Wide range of quality courses customized to suit your needs

We offer a range of English courses. These are complemented by your choice of elective classes so that you will learn exactly what you need to.

5

Learning and technology

ELC-Online is our unique online learning program and school community. You can start studying and making friends even before you leave home!

6

Pathways to Malaysian Universities through IELTS or other equivalent entry

Our consultants will advise you on the choices of universities in Malaysia or even Australia. They will help guide you through the application process.

7

Optional activities, clubs and special interest classes

We offer optional special interest classes, activities and clubs each week so that you can do the things that interest you and use your English!

8

Excellent accommodation options

ELC has a wide range of quality accommodation options to suit your needs and your budget, including our own student residence 'ELC Apartments'.

9

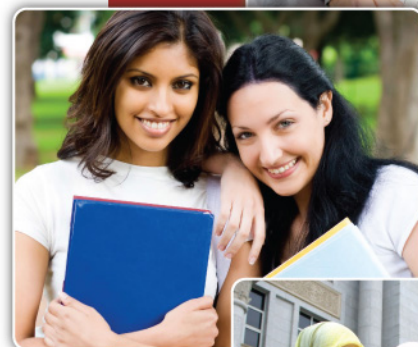

Great city centre location

Our modern school is right in the heart of Kuala Lumpur's Golden Triangle, close to ultra-urban shopping malls, fast light rail transport and exciting entertainment districts.

10

Learn about & experience multicultural Malaysia

Experience a diverse choice of food, celebrations, music and traditions from different cultures all in one country. International students will experience a truly welcoming multiethnic environment.

Kuala Lumpur is a fantastic place to live and study. It's beautiful and clean with spectacular historical buildings and modern architectural high-rise marvels. Public transport is very convenient and the city is safe. It's easy to get around and you will feel relaxed and comfortable.

The standard of living is high but the cost of living is low relative to many other countries, such as Singapore, the USA and the United Kingdom.

Kuala Lumpur is the largest and most cosmopolitan city in Malaysia. It is lively by day and night with world class cultural and social entertainment. Whether you prefer concerts, cinema, theatre, restaurants, nightclubs or pubs you'll find plenty here to please you.

Kuala Lumpur's warm climate means that there's a huge range of outdoor activities for you to do all year round. Sport is very popular in Malaysia and if you're looking for an adventure there are many opportunities for you to try new things - white water rafting, all terrain vehicle (ATV) driving and abseiling are all possible within the Kuala Lumpur metropolitan area.

Malaysians are very friendly and welcoming. In shops, restaurants and on the street you'll be surprised at how open people are. They're always happy to talk so it's a great place to improve your English.

Location and facilities

KL Tower

Standing majestically at 421 meters and 94 meters above sea level, KL Tower is the 4th highest telecommunication towers in the world.

Jamek Mosque

Built in 1909 – oldest mosque in the city. Architecture is inspired by Mogul influences of northern India.

The mosque sits at the meeting point of the Klang and Gombak rivers, which is the birthplace of Kuala Lumpur.

Lake Gardens

Is the oldest and most popular park in Kuala Lumpur. Its landscaped hills and beautiful trails provide an escape for city dwellers out for a jog. The lake, surrounded by lush greenery, provides a refreshing ambience.

Petronas Twin Towers

The 88-storey Petronas Twin Towers, or KLCC, is the world's tallest twin structures. Attractions at KLCC are Suria Shopping Complex, Petronas Philharmonic Hall, Petronas Science Centre, Petronas Art Gallery and Kuala Lumpur Convention Center, where the Aquaria Oceanarium is situated.

China Town

Maintained much of its traditional atmosphere, particularly at night when vendors fan out their merchandise along the street.

Low Yat Digital Mall

Premier IT lifestyle shopping mall, over 500 retail outlets operating within the 7 themed retail floors. A complete one-stop destination for all your digital needs.

ELC Malaysia City Centre Location

- 5 minutes from the Monorail Station.
- 5 minutes from Low Yat Digital Mall, selling the latest technology in gadgets, electronics and software.
- 5 minutes from Pavilion the latest edition of KL malls.
- 15 minutes to KLCC & the Twin Towers.

Facilities

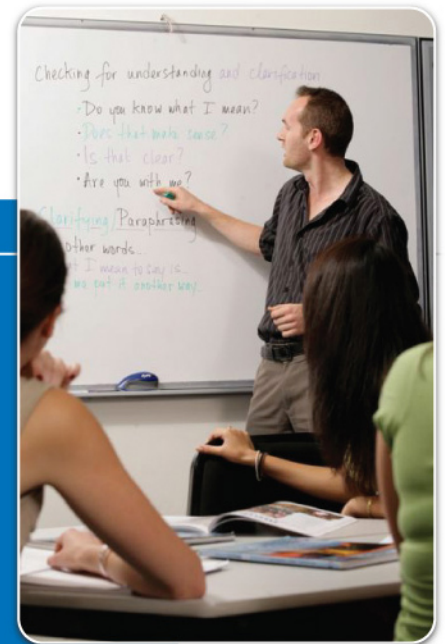

The school is modern, bright and spacious with superb facilities including:

- Large, well-equipped classrooms (most with the latest digital technology)
- Comfortable student common room and dining area
- Study centre and library equipped with computers for self-study
- Casual computer lounge available throughout the day
