## About Multimedia University (MMU)

Established since July 1996, MMU is the pioneer private university in Malaysia and it aspires to be globally recognised through quality students and staff engaged in innovative academic programmes and research, driven by academic and commercial revenue streams. With three campuses in Cyberjaya, Melaka and Johor. MMU is one of leading universities in Malaysia where it is officially recognised as one of the best places in the country to pursue business and accounting, computer and technology, engineering and creative multimedia programmes.

## Articulation at MMU

MMU undergraduate students will have the opportunity to experience the UK or an Australian style of teaching and life through an articulation programme at two renowned universities namely Hull University Business School or the University of Southern Queensland. You may complete your Bachelor's degree with any of the universities and attain more knowledge on your preferred course. Being part of the articulation programme allows our students to encounter different learning experience as well as to gain new cultural insights that will add value to your profile. Engaging with international students will help you to improve your intercultural competence and to build your professional skills.
