

Residence Hall 3

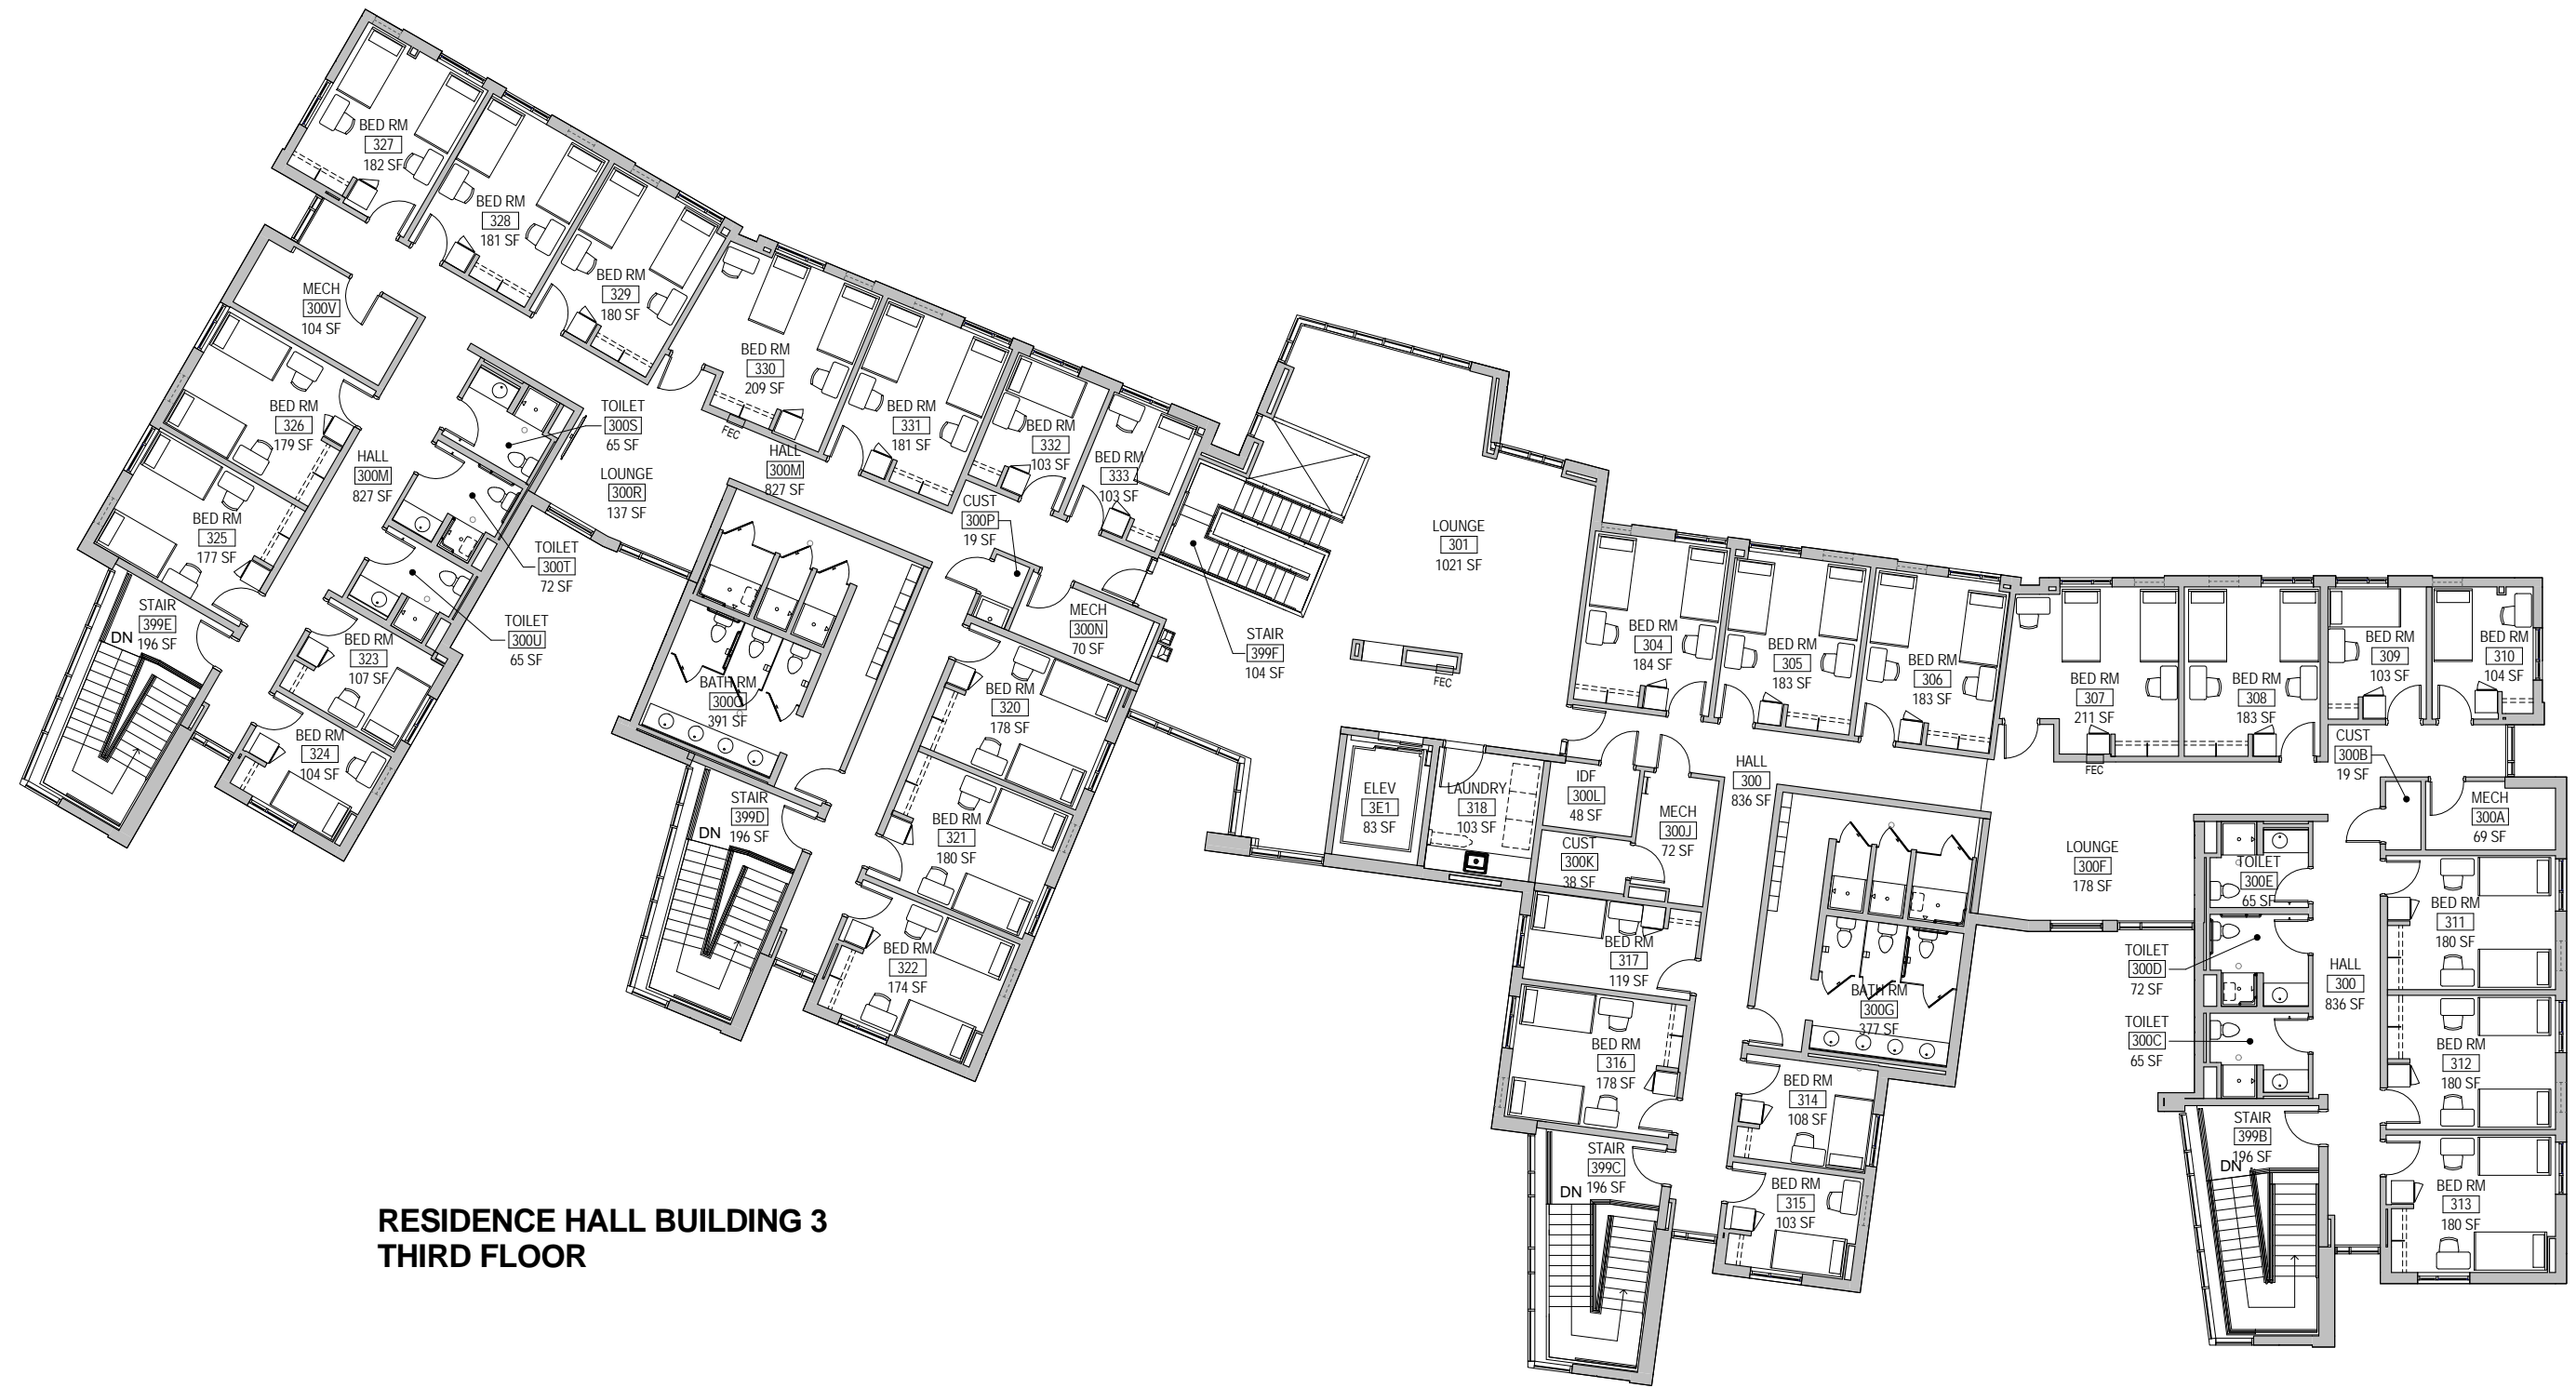

This facility is the final addition to Wildcat Village located in the heart of campus. It features single, double (2 students in a room) and triple (3 students in a room) rooms. The residents of Residence Hall 3 also have the option of either a resident shared bathroom (1 per pod) or private baths (3 per pod) that can be used on a first come first serve basis. This facility also has lounge and study areas on every floor, and kitchen and laundry facilities for the students to use. It is located right across the quad from Stewart Wasatch Hall where there is a fitness center, printing station, restaurant and convenience store. Our most affordable housing option in Wildcat Village.
